## The Fred. Olsen difference

We're not interested in gimmicks like zip wires, climbing walls or celebrity chefs. We don't have boastful megaships. We take immense pride in our fleet of smaller-scaled vessels that retain the style, ambience and understated quality of a country house hotel. They might not be as new as some ships, but we don't automatically believe that younger is better; there's a lot to be said for having the benefit of experience. With the fifth generation Fred. Olsen as Chairman, we believe we've found the perfect formula for you to get the best out of your holiday with us.

## Smaller but spacious

A smaller ship doesn't mean less space; far from it. Each room is comfortably sized, with all the facilities you'll need to enjoy your holiday. In fact, our rooms are comparable to those on some of the mammoth cruise ships. While our vessels are on a more accessible scale, you can have just as much private space.

With fewer people on board it's easy to find a quiet spot to relax in peace with a drink or a good book. There's room to stretch out by the pool and you can get ashore more quickly too. And when you're ashore, you're seeing the best of each port of call with hundreds of others – not thousands – giving you a much more authentic experience.

## Service with a smile

Each member of the Fred. Olsen team has been carefully selected for their warm and welcoming personalities. The quality of our people, supported by training and development, ensures they will give you a great holiday:

in guest feedback our staff are always the most highly-rated aspect of the whole experience. Step aboard and find out why year after year more than half our guests have travelled with Fred. Olsen before.

## Cruise with real confidence, with Fred. Olsen's Enjoyment Promise

If you favour a welcoming, 'home-from-home' atmosphere, friendly, smiling staff and like-minded fellow guests with whom you can share a good story or two, you'll likely find Fred. Olsen to your taste. You don't have to take our word for it though: we're so confident that you'll like cruising with us that we offer our Enjoyment Promise as standard.\*\*

Simply book more than 12 weeks ahead on cruises of five nights or more and if you find that it's not for you within 48 hours of sailing (24 hours on *Brabant* river cruises), just let us know and we promise to arrange and pay for your flight back to the UK from the next port and repay the cost of your cruise. So your relaxation starts the moment you choose Fred. Olsen.

\*\*Please read Terms & Conditions below before booking.

\*\*Enjoyment Promise excludes Party Nights and cruises of 4 nights or less. The Promise only applies to bookings made for departures more than 12 weeks ahead. The Enjoyment Promise only applies to passengers who have contracted with Fred. Olsen Cruise Lines ("FOCL") and excludes cruises on vessels operated by FOCL but booked through 3rd Party operators. Should you wish to invoke the Enjoyment Promise, you will need to inform Guest Relations within 48 hours of sailing at the latest. For passengers travelling on back-to-back cruises, the Enjoyment Promise is valid for the first 48 hours (24 hours on *Brabant* river cruises) of the first sailing on land cannot be invoked on the commencement of the adjoining sailings. FOCL will arrange and pay for a flight and/or transport back to the UK. FOCL will refund the cruise cost only but will not refund other costs.

### Award-winning cruises

Fred. Olsen's staff and crew always work hard to give you the holiday of a lifetime. That this dedication has been recognised in a number of awards over the past few years, including winning 'Best for Itineraries' twice, is very rewarding. Most importantly, Fred. Olsen has a guest experience rating of 4.3 out of 5 – from over 6,000 independent guest reviews in the last year – along with being awarded Feefo's Gold Trusted Merchant status, for the fourth year in a row. Perhaps that's why people who try us once so often choose to cruise with us again. There's never been a better time to try the Fred. Olsen experience.

### **Your choice of rooms and suites**

When it comes to accommodation, our fleet of four ocean-going ships feature a range of choices, so you can pick what suits you best. Interior Rooms offer all the space, comfort and amenities you'll need, while Ocean View Rooms have the additional benefit of a porthole or picture window. Many are more spacious than Interior Rooms too, particularly if you book a Superior Ocean View.

For a distinctly superior experience, a Suite allows you to indulge a little more, with extra space so you can really unwind in style. Many suites come with Suite Dreams benefits too, including canapés, a welcome bottle of sparkling wine and complimentary pressing of formal wear. For more information on what's included, please visit [fredolsencruises.com](http://fredolsencruises.com).

### **Days to inspire, evenings to remember**

Your experience on board our smaller, friendlier ships is sure to be just as memorable and enriching as your time ashore discovering the world. During the daytime, you may find ballroom dancing lessons, photography talks or entertaining quizzes – to name just a few examples – alongside insightful talks from guest speakers and experts. How much or how little you join in is entirely up to you. Be sure to check out the *Daily Times* on board to find out what's on from day to day. When night falls, enjoy the sparkle of cabaret, comedy and music as the evenings come alive with orchestras, pianists, entertainers and shows. Simply sit back and savour it all, while you enjoy your favourite tipples, or that special cocktail made just for you.

## Food, glorious food

Dining on board is sure to be one of the highlights of your holiday, combining the renowned friendly and personal Fred. Olsen service with mouthwatering dishes, all planned to perfection. After a day exploring the world, our award-winning cuisine is a real treat to look forward to, whether you're indulging in a sumptuous five-course à la carte dinner or raiding the late-night buffet!

Adding an extra special touch, The Grill and The Poolside on *Balmoral* and *Braemar*, The Poolside and The Poolside Grill on *Boudicca*, and The Black Watch Room and The Poolside on *Black Watch* offer superb speciality dining experiences for a small supplement. Spaces at these restaurants are limited, so dinner must be booked on board in advance.

All menus include vegetarian dishes and a range of healthier alternatives too, all prepared to the same high standards. Should you have any special dietary requests, simply let us know at the time of booking. We'll do our utmost to make sure your needs are met wherever we can.

## Staying ship shape

Cruising with Fred. Olsen is all about rewarding yourself and relaxing all the way, whether you're dreaming of your next adventure while sunbathing on deck, immersing yourself in the latest bestseller or watching the world go by from a bubbling Jacuzzi. But that doesn't mean you have to give up your usual healthy lifestyle. On board *Balmoral*, *Braemar*, *Boudicca* and *Black Watch* there are plenty of ways to help you stay in shape, including Fitness Centres, swimming pools and fitness classes\* You can even walk a mile in the crisp sea air: aboard *Boudicca* it's just five laps of the open deck.

If you'd like a little extra pampering, the Atlantis Spa offers a wide range of treatments\* to refresh and rejuvenate, from manicures to hot stone massages to seaweed wraps.

\*All fitness classes and Atlantis Spa treatments are payable in addition to your cruise price.

# Sail in style from departure ports around the UK

Fred. Olsen brings the world closer – and that starts with the convenience of departures from a port that suits you. Sailing from five ports around the UK, our fleet of smaller, friendlier ocean-going ships will explore a stunning variety of destinations in 2018/19. And almost every itinerary comes with fantastic added benefits, courtesy of Fred. Olsen's Cruise Sale.

## **Dover & Southampton**

Departures from Dover include an all-encompassing Italian holiday to Rome, Amalfi, Tuscany and the Riviera; and sailings specially timed to take in the Historic Monaco Grand Prix, the Tallinn Medieval Days Festival, and the Kiel Week sailing extravaganza. Along the south coast, avoid the mega vessels at the UK's 'Cruise Capital' and experience all the smaller-ship advantages of sailing with Fred. Olsen from Southampton. There are chances to uncover the historic gems of the Adriatic; indulge in classic French river cruising; and 'steer the ship' on a Baltic-themed You Choose Your Cruise adventure; to name a few examples.

## **Liverpool & Newcastle**

Heading further north, should you choose to set sail from Liverpool you'll be able to discover the wonders of Iceland or the Canary Islands with Portugal perhaps, not to forget the thrill of the Monaco Grand Prix during 16 nights of pure Mediterranean indulgence. Or you can take advantage of Newcastle's location for top highlights including a five-night escape to the Norwegian Fjords and an opportunity to savour Bremen's annual Freimarkt and Beer Festival.

## **Rosyth (Edinburgh)**

North of the border, a selection of cruises out of Rosyth (Edinburgh) head to the spellbinding waterways of Sweden, the fjords of Norway, the culture-rich cities and charming canals of Belgium and the Netherlands, and more.

For the full range of cruises available in Fred. Olsen's Cruise Sale, please see our website, contact your travel agent or call our knowledgeable Reservations Team.

# Mediterranean

**Packed with a vast array of historical, cultural and aesthetic delights, the Mediterranean region features at the top of the list for many holidaymakers. On a Fred. Olsen cruise you'll get to see the region's diversity, while capturing the real essence of a string of remarkable destinations, and all with the comforts of your home-from-home to return to in between.**

Sailings to this region encompass a host of special events. Once more, there's the chance to tour from Nice to Monaco to capture the nail-biting action of the iconic Formula One Grand Prix – a firm favourite with past guests. Barcelona, Mallorca and St-Tropez are all yours to explore too.

On a similar theme, a 16-night escape aboard *Boudicca* makes a timely visit to Monaco for the Historic Grand Prix classic car race and calls into Cannes for the world-famous Film Festival. Later in 2018, there's the opportunity to join *Braemar* and head to the French region of Provence at the perfect time to witness the famous lavender fields, flourishing and at their most fragrant.

In addition to these exciting events is an exquisite sailing to the Amalfi Coast and Rome – one of Fred. Olsen's most popular cruise themes. Though this time there's even more to enjoy with Tuscany and the Italian Riviera included too. Alternatively, you could opt to uncover the historic sites and picturesque scenery of the Adriatic, blended with romantic Venice, Sicily and more.

# Norwegian Fjords

The Norwegian Fjords are home to some of Earth's most incredible scenery. Whether you're visiting for the first time or the umpteenth it's always captivating, and there's arguably no better way to capture the sights than on a Fred. Olsen cruise. Taking full advantage of our Norwegian heritage, and with knowledgeable Norwegian Intercoastal Pilots – who know these waters intimately, we divert our smaller ships away from the direct route between ports to navigate breathtaking fjords and take you closer to the region's natural wonders.

From a five-night adventure – ideal for introducing friends to the Fred. Olsen experience – to a nine-night exploration with the dramatic Shetlands on the menu too, the cruises in this section are equally memorable. From the comfort of your ship you can witness tumbling waterfalls, mighty mountains and glistening glaciers as you drift past, and all are perfectly complemented by the beautiful destinations you'll visit nestled within the jaw-dropping landscapes.

# Arctic

**Journey to the Arctic with Fred. Olsen and you'll reach unspoilt parts of the world most can only fantasise about. Away from the regular tourist trails, some of these magical destinations are barely accessible – unless you're on a cruise. No matter which itinerary you choose, you'll encounter an array of breathtaking natural wonders you'll remember for years to come.**

Spellbinding Iceland features twice in the following selection of sailings. *Black Watch's* discovery in June 2018 is a fine example as you can capture the best highlights in just nine nights thanks to Liverpool's advantageous location for sailing northwest. Watch the forces of Earth explode into life on the iconic Golden Circle route; weave through winding fjords into charming towns; go in search of elusive wildlife, from puffins to whales; immerse yourself in vibrant Reykjavik; encounter the remote Westfjords region; and plenty more besides.

There's the plethora of attractions that feature in northern Norway too. Witnessing the truly inspirational Northern Lights would surely top the list, and on a unique adventure in 2019 you'll be able to seek out this natural phenomenon during a short, eight-night escape. Alternatively, combine northern Norway with Arctic Russia aboard *Braemar's* June 2018 sailing and enjoy a maiden call into off-the-beaten-track Kirkenes, as well as chances to hear some of the Soviet Union stories from WWII, and experience the mesmerising Midnight Sun.

Choose either of the incredible 'Fjords of Greenland' expeditions and memories of giant glistening icebergs, expansive landscapes and gloriously isolated towns are sure to remain with you forever.

# Scandinavia & the Baltic

Our 2018/19 programme features the best ever variety of Fred. Olsen sailings to Scandinavia and the Baltic region, combining past favourites with new, unique adventures, all sure to whet the appetite. A concoction of fascinating history, vibrant culture and picturesque scenery awaits, and it's showcased across the engrossing cities, tranquil towns, inspiring islands and diverse waterways you'll experience along the way.

*Balmoral's* big-hitting 'Scandinavian Capitals' cruise in June includes the likes of Copenhagen, Stockholm and Oslo – in addition to two days in lavish St Petersburg – so you can tick off the popular highlights in one rewarding holiday.

A shining example of the benefits of smaller-ship cruising, *Braemar's* two-week escape in September will dock close to the heart of many of the destinations. If you'd prefer to uncover some lesser-known delights, join the same ship on a relaxing, shorter journey that includes the quaint islands of Denmark, Sweden and Finland.

For exploring one particular country but in more depth, choose from two cruises with a distinctly Swedish flavour and enjoy a diverse array of destinations. The delights on shore are perfectly complemented by hours of spellbinding archipelago and fjord cruising during daylight hours too.

As is regularly the case with Fred. Olsen, there's a cruise or two with a twist. *Boudicca's* 'Authentic Baltic' voyage features part of the Tallinn Medieval Days festival, while a 'You Choose Your Cruise' adventure aboard *Braemar* presents the chance to vote with your fellow guests to help 'steer the ship' for yourself. There's a choice of two destinations for each of your ports of call.

# European River Cruising on *Brabant*

Within this section you'll find a selection of itineraries from Fred. Olsen's 2018 programme of river boat cruising. Step aboard *Brabant* for a very special journey along Europe's spellbinding rivers and canals. With the Rhine, Main, Moselle and Danube in the mix, you're spoilt for choice. Simply relax on deck as romantic towns, captivating castles, terraced vineyards, rich forests and dramatic mountains are unveiled.

You may choose to take in the authentic highlights of a particular country, such as the flamboyant tulips of the Netherlands in full bloom, or the architectural treasures of Germany. Or you may opt for a winding journey of discovery across Europe, ticking off highlights in each country you visit. Whether gazing at Cologne's spectacular twin-spired cathedral, immersing yourself in the Netherlands' oldest city, exploring the countless landmarks of Budapest or taking in a classical concert in Vienna: each day opens up new destinations and adventures.

To complement your discovery of attraction-packed cities and lesser-known gems, on many itineraries you'll experience specially scheduled daytime scenic cruising. The large panoramic windows of *Brabant* are ideal for savouring the livestock-laden Dutch countryside; marvelling at the effortlessly beautiful landscapes of the Rhine, Main and Moselle valleys; or experiencing the endless highlights the mighty Danube has to offer, such as the narrow Iron Gates gorges and the floodplains of the Danube Delta. *Brabant's* classic design is a little smaller than many river boats, a size difference that really comes into its own when cruising the Middle Moselle Valley: *Brabant* is small enough to navigate the river all the way down to beautiful Bernkastel-Kues.

**For the full choice of river cruises available in our Cruise Sale, please see our website, contact your travel agent or call our knowledgeable Reservations Team.**

### Pricing & flight options

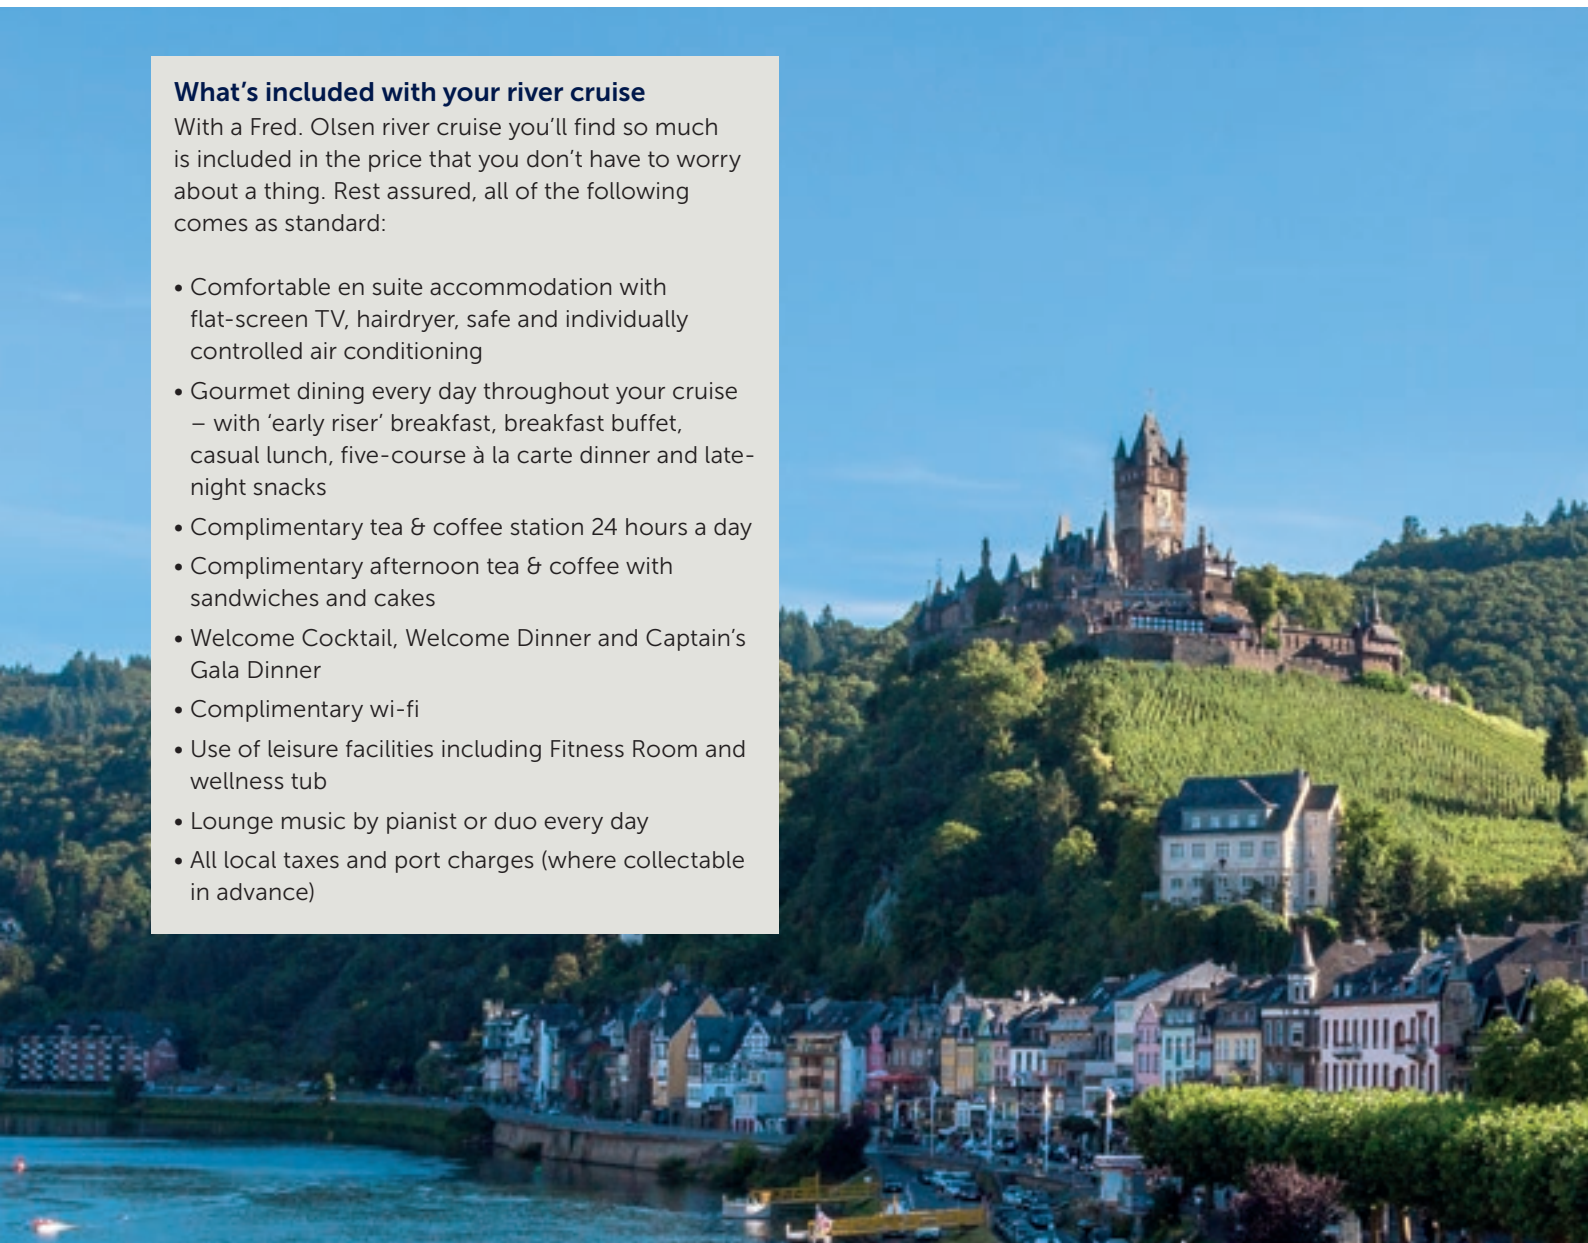

All prices shown on the cruise pages within this section (p44-47) are per person, based on two sharing a Standard Room on the quoted itinerary. For the full range of prices and room types, please visit our website. All prices are based on fly-cruises, which include return flights from London Heathrow (to a relevant destination airport) and transfers to/from the boat. If you would like to fly from an airport outside London please request this at the time of booking; we will contact you to discuss options. Please note that flights from an alternative airport may be subject to an additional charge and may be non-refundable.

Should you opt for cruise-only, the amount to deduct from the fly-cruise price is shown on each itinerary. This option means you'll be able to book flights with times and the departure airport that suit you best. You will also need to arrange your own transfers to/from the boat.

### The Fred. Olsen difference

With just four decks and less than 80 rooms and suites, *Brabant* retains the intimate, 'home-from-home' atmosphere for which Fred. Olsen is known and loved. In line with our four ocean-going ships, this smaller-scaled vessel has the style, ambience and understated quality of a country house hotel.

Cruise ship staples such as swimming pools, numerous lounges and on-going activities are not in evidence, making way for a comfortable, relaxed ambience, complemented by roomy public areas where occasional evening entertainment, leisurely drinks and absorbing conversation with new-found friends is the norm.

Where possible *Brabant* will moor close to the heart of a city, town or village, with the local attractions nearby. As is usual for river boats, you may have to walk through or over other vessels to get ashore.

### Service with a smile

Each member of the *Brabant* team is dedicated to making your trip unforgettable; most have worked on river boats for many years. Their experience, coupled with their warm and welcoming personalities, will ensure you'll be in for a great holiday, as you would expect with Fred. Olsen.

### Comfortable accommodation

The bedrooms on board *Brabant* combine cherry wood interiors and contemporary colours with generous space to make you feel at home straight away. Juliette balconies with panoramic windows are a feature in many of the rooms – what better way to admire the gorgeous scenery as it unfolds? In-room facilities include a flat-screen TV, complimentary wi-fi, individual climate control, a safe and a well-equipped en suite bathroom. There are two Suites available, complete with a sofa, minibar (payable), cabinet and more room to stretch out. The Suites come with a bathtub and complimentary bathrobe and slippers too, allowing you to really unwind in style.

### Food, glorious food

Much like Fred. Olsen's ocean-going ships, the quality and variety of the cuisine on board *Brabant* is sure to be a highlight of your holiday. 'Early riser' coffee, tea and pastries are served, before a hearty breakfast buffet. Savour three indulgent courses at lunch – or perhaps a lighter snack alternative – and then be sure to satisfy that sweet tooth with Afternoon Tea treats. The crowning moment is sure to be the mouthwatering five-course à la carte dinner<sup>†</sup> served every evening in the Panorama Restaurant. To round the day off, late night snacks are available for those who are – somehow – still peckish. Should you have any special dietary requests simply let us know at the time of booking, we'll do our utmost to ensure your needs are met whenever we can.

<sup>†</sup>All meals are open seating. Evening dinner is one sitting, normally at 7:30pm.

### Making the most of your time on board

Between all the exciting destinations on your itinerary, there is plenty to keep you occupied on board *Brabant*. Large, spacious windows throughout the boat afford plentiful views of the stunning scenery – you'll never be far from a sight to capture your attention. Head down to Haydn Deck and you'll find the Fitness Room, the Hair Salon and the Vital Club, which offers rejuvenating massage treatments and soothing bath experiences. The Amadeus Club is a great spot for peaceful relaxation, with books, newspapers, games, puzzles and two desktop computers. Self-service tea and coffee is available here 24 hours a day too. Out on the Sun Deck, you can perhaps relax with a drink from the Lido Bar; top up the tan while you watch the world go by; or opt for a game of shuffleboard or giant chess.

In the evenings, all eyes turn to the Panorama Lounge for gentle live entertainment to round off each day. Savour the sounds of singers, pianists and other musicians, complemented occasionally by specially chosen regional acts.
