SEVEN SEAS GRANDEUR

It is the experience
of the past that
inspires the future.

a heritage of
PERFECTION

Perfection, as the ocean, is current and timeless.
It shifts with the winds yet remains as constant as the tides.

Perfection, as the ocean, is evolutionary.
It retains the best of what has been, while expanding beyond it.

Perfection, as the ocean, is our story.

It comes from knowledge and wisdom
learned over three decades of excellence
in delivering unparalleled, ocean cruising experiences
to all our guests, throughout the world.

Seven Seas Grandeur™ embodies this heritage of perfection,
inspired through beloved elements and traditions of our past,
transforming the present with a magnificent vision of the future.

CHAPTER | N° 1

INSPIRED

by the past

*Inspiration, as the wind,
moves us forward.*

It cools and refreshes
like an ocean breeze.

Inspiration, as the wind, is our fuel.

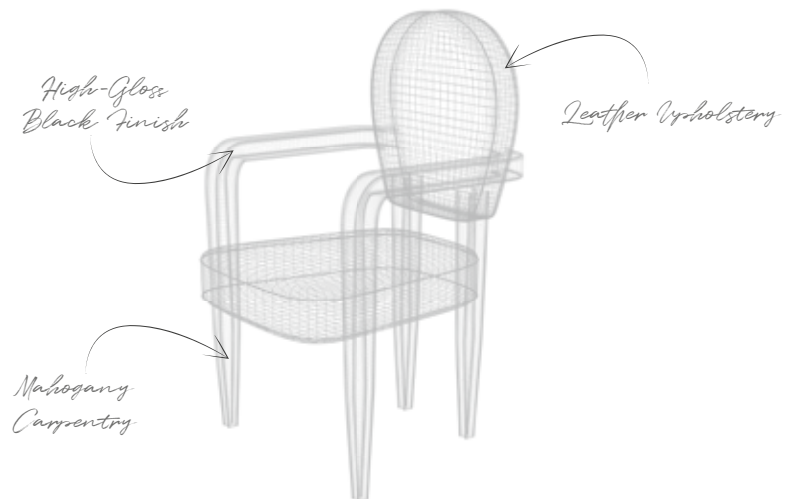

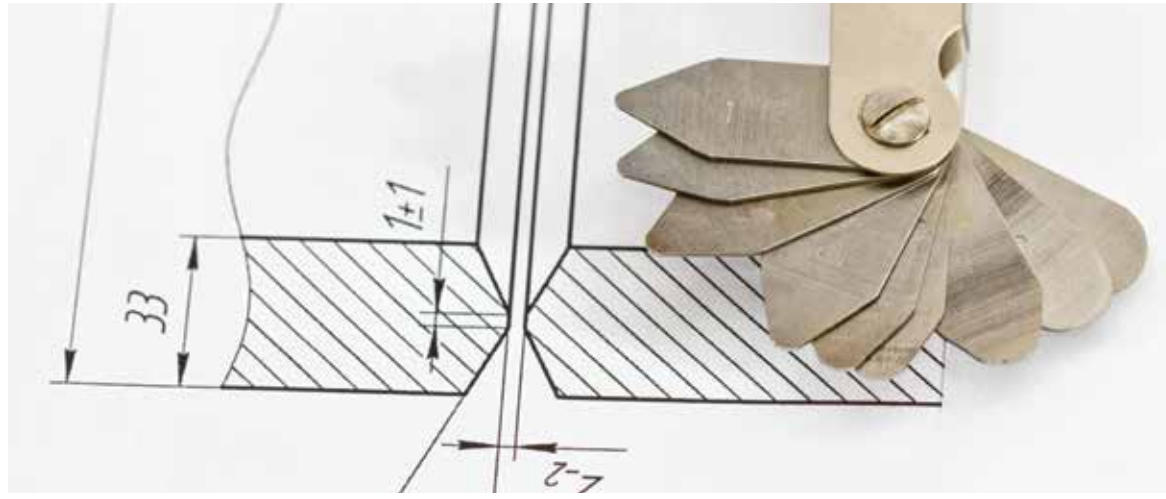

Five exquisite ships.
Decades of consummate service.
Millions of unrivalled experiences.

Inspired by what is good,
we look ahead, and produce
the truly great.

CHARTREUSE | *from left:* dining room, lobby bar

CHIC INSPIRATIONS

CHARTREUSE

Paris, 1925. An exposition that launched the international Art Deco movement. The Chanel suit and a little black dress. Western beauty and fashion once again evolving and giving way to styles that would quickly become iconic.

This era of French glamour — both nostalgic and classic — is the inspiration for the chic new design of Chartreuse. Sampling the stylish flavours of Coco Chanel and the geometric notes and patterns of the Art Deco movement, this incarnation of our French eatery takes guests back in time, while retaining all the present comfort of modern dining. The ambiance created is the ideal environment for a culinary experience that marries classic French cuisine with the modern touches and innovative flair our master chefs infuse into the menu at Chartreuse.

A VISION of the future

*Vision, as the horizon,
beckons us onward.*

*It leads us through
the wind and waves.*

*Vision, as the horizon, reveals our
future.*

Exploring each destination
in our journey gives rise to new
visions of what could be.

The myriad of beauty that exists
and inspires us today becomes
the foundation of our tomorrow.

COMPASS ROSE | *from left:* entrance, dining room

AN ELEGANT EVOLUTION

COMPASS ROSE

Hidden behind a cascading steel and crystal sculpture, a vision of grandeur has evolved in the very heart of our newest vessel.

Compass Rose will reflect the beauty of an enchanted forest with an expansive design that seems to carry beyond her very walls. Tree-like pillars, garnished in crystals, sprout arching branches that lead the eye up to the starry night peeking through an illuminated canopy.

This ethereal atmosphere, grand and sophisticated, evokes conversation and beckons the imagination to wander with each blissful bite. It is the perfect space for a restaurant with culinary offerings that are only as limited as the creativity of the guest, from classic fare to modern delights and every combination in-between.

OBSERVATION LOUNGE

beauty in the EXPERIENCE

*Experience, as the wave,
soothes and thrills.*

It is a chance to embrace new
and beautiful perspectives.

Experience, as the wave, is our opportunity.

Expansive environments and
sumptuous suites.

Endless combinations of
delicious cuisines.

Personalised and professional services.

Every day on the ocean is an occasion to
embrace the grand opportunities
each voyage brings.

OBSERVATION LOUNGE | *from left: bar, entrance*

THE DELIGHTS OF LIFE AT SEA

Delivering unrivalled space in both expanse and elegance, *Seven Seas Grandeur*[™] embodies an air of the majestic with a modern style and sophistication. These modern touches, bathed in warm, lush finishes and exemplified by the masterful work of seasoned craftsmen, create a welcoming marriage of what has been with what will be.

Like the overlapping flow of petals on a fragrant gardenia, thousands of individual crystals are stitched into waves of illuminated style and grace above the centre floor of the Observation Lounge. This stunning room, lavished with refinements reminiscent of the organic style of Art Nouveau, is layered with spaces for every mood; from quiet alcoves looking out to sea, to warm gathering places, to dance-floor seating. These and other public spaces throughout the ship radiate comfort, exude class and drip with sophistication — all ideal for delivering your perfect onboard experience.

TRANSFORMATIVE DINING

Coming together at the table — be it in a grand and elegant room or lounging beneath blue skies — is an opportunity to taste, feel and realise new and marvellous flavours. It is a chance to celebrate and share past culinary adventures with good friends while creating new ones together.

Aboard *Seven Seas Grandeur*[™], every dining experience creates the occasion to embrace the simple, pure joy of the moment, whenever and wherever that may be. From the romance of railway travel and the first great American steakhouses of early industrial New York that are brought to life in the ever-refined Prime 7, to the chic stylings and touches of Paris in the 1920s embodied by Chartreuse, to the heavenly sensations evoked by the enchanted design of Compass Rose, the restaurants on board are nothing short of transformative.
